### Description

Top sheet or flap in pure fine linen thread, figured M-D and richly flowered with irises framed by rivers with knotted bundles. Very fine quality, executed with precision. Tightly woven linen thread gives it a particularly pleasing fluidity. This piece of antique linen has been used, presenting a slightly refined material in places without detracting from its solidity or aesthetics. The top edge has recently been machine hemmed. This piece can be used as a drapery return during the day, curtains, or as a footed quilt, for example. The possibilities are endless. Antique white linen, washed and ironed. ?
