Description

Elegant table clock in a solid mahogany case, finely carved. The case has a linear shape with a curved top. It also features carvings and moldings, which enhance its shape. The clock features a glass-protected dial with Arabic numerals and iron hands. The clock movement is a Westminster clock and is in working order, with a striking mechanism that chimes on the quarters, half-hours, three-quarters, and the hour. Please note that the case requires restoration, and some visible defects and missing parts are visible. English manufacture, second half of the 19th century. Dimensions: H x W x D 40 x 31 x 16.5cm
