Description

A rare and important herbarium in a folder of large separate plates, with the variety of species and their provenance, and beautiful, explicit labels from the first part of the 20th century. An ensemble, a curiosity of the plant kingdom and an in-depth study notebook; this beautiful herbarium has all the characteristics of a serious educational work and takes us on a journey into the magical world of plants and nature at its most beautiful... Can be used differently, this beautiful piece has everything to seduce and teach.
