Description

Elegant and harmonious coffee table in chased gilded bronze is attributed to Willy DARO. Willy Daro likes to work with luxurious materials and chooses organic forms inspired by nature. Art Nouveau is his main source of inspiration. His work is known the world over, and he has collaborated on numerous decorating projects for the Prince of Monaco and the Shah of Iran. This original coffee table is in chased gilded bronze with plant motifs that unfold into leafy tree branches, and is covered with a glass top that lets all its beauty shine through.
