Length : 32

Width : 12

Height : 30

Description

He explored the many facets of art in various workshops, before trying his hand at sets for theater, film and ballet. He thus created sets for the Araignée de Paris company in 1979, for the film *Les lièvres et le vilain* in 1982, for the contemporary dance troupe l'Esquisse at the Couvent des Cordeliers in Avignon in 1986, and for Johnson & Johnson's animated film *Magic stent* in 1996. His work is shown in numerous solo and group exhibitions in France and abroad. MOST EXHIBITIONS, PRODUCTION AND AWARDS 2010? Galerie des Tuileries, Lyon 2005-06?
