Description

Nice maple samaras vase by Paul Nicolas. Always a very fine engraving quality (finer than 90% of Galle's pieces) from this great master glassmaker from Nancy. Fine autumnal colors with this olive green background that contrasts with the acid-etched plant decoration. Just look at the quality. Piece signed "D'argental avec la croix de lorraine". This is generally the finest quality; these pieces were produced in Saint-Louis but decorated and worked in the workshops of Paul Nicolas in Nancy. Perfect condition, 25 cm high, signed, circa 1910-1920. Very fine quality glassware, perfect.
