Description

Wooden floor lamp, early 19th century, in lacquer and gold with a fabric shadeAn elegant, original floor lamp from the early 19th century, crafted from finely carved wood and decorated with lacquer and gold leaf. The carved tripod base and turned shaft feature rich ornamentation typical of the period. The flared fabric shade diffuses a warm, refined light, enhancing the piece's classic aesthetic. Ideal as a dramatic focal point for traditional interiors, period living rooms, or settings with sophisticated furnishings.
