Description

Charming mid-19e century umbrella, whose silk canvas has been replaced by a pretty yellow silk satin while retaining the original bangs. It is in perfect condition. The handle is carved bone. The parasol features two ingenious systems typical of the period:- An upper metal ring for tilting the canvas when open- A central ring for folding the umbrella in half, for easy storage or access to a carriage. It measures 22,04 inches long when closed and approximately 17,32 inches in diameter when open. France, circa 1850.
