Description

This oil on canvas from the 30's, with two workers working on a lathe, exudes emotion. This painting is signed F. Saint Pasty, but without certainty the signature is difficult to identify. It was painted with a knife with a material that stands out slightly. The quality is there, the work is powerful. The work has been cleaned and is in good overall condition. We point out classic time wear on the frame as well as minor paint wear on the bottom right of the painting (see photo). For condition please detail the photos. The photos are an integral part of the description. Dimensions: Frame Height: 70 cm Width: 83.5 cm Oil Height: 59 cm Width: 72 cm A4364
