Description

Antique gilded wooden candlestick - Tuscany, mid-19th century
Elegant table lamp created from the restoration of a refined mid-19th-century Tuscan candlestick, finely carved from wood and decorated with gold leaf. The shaft features floral motifs and turned details typical of Tuscan craftsmanship of the period, with an authentic patina that highlights the object's history. The scroll-carved base ensures stability and adds a strong decorative character, making this lamp a unique piece ideal for classic settings, dramatic entryways, or historically inspired interiors. Complete with a lampshade in textured fabric, perfectly harmonized with the style of the structure.
