Description

Northern European painter (19th-20th century) - River landscape with rocks and farmhouse. 31 x 51 cm (without frame) - 41 x 61 cm (with frame). Oil on canvas, in a period carved and gilded wooden frame. The painting depicts a river landscape set among autumnal vegetation in warm tones of ochre, brown and dark green. In the background, a rocky cliff dominates the composition, while a farmhouse can be glimpsed among the trees on the right. At the centre, a dark-surfaced watercourse reflects the diffuse light of a cloudy sky; a small boat is visible on the left bank. The fluid, tonal brushwork is consistent with the Northern European Romantic landscape tradition, with echoes of the German or Austrian school of the late 19th century.
