Description

Glass window door Renaissance decorations
J.Vantillard Yellow silver circa 1880
Glass door stained glass windows translucent, painted in grey, enamels and yellow of silver and mauve. Decorated, Renaissance style, volutes, flowers, rinses, mascarons, cherubs, Venus and Cupidon medallion. With in their center a medallion representing Venus and Cupidle stained glass all along which passes through the crossing of the intermediary who sandwiches the stained glass window I think the signature should be underneath this little crack and missing on the side see details in the photos.
