Description

Elegant pair of carved and arched fir wood panels, finely painted in lean tempera. The two panels depict two vases in the center, adorned with flowers and fruit, surrounded by a frame with geometric scrolls. The panels are in good condition, and their paintings are remarkable for their stylistic rendering and use of color. This pair of panels, thanks to their elegance and refinement, can lend a touch of class and antiquity to any space. Typical craftsmanship from the Marche region (central Italy), mid-19th century. Dimensions: H x W x D 98 x 62 x 2.5cm
