

## Gold-cameo Ring

680 EUR

Period : 19th century

Condition : Bon état

Material : Gold

### Description

Late 19th-early 20th century ring in 18K (750mm) yellow gold. It features a cameo on a rectangular hardstone, probably agate, depicting a young woman in profile in the antique style, with 3 small pearls on each side and a pearl at each end. The cameo rests on a softened rectangular gold plate. The openwork ring is beautifully worked with scrolls and fine chased motifs. BP: 3.6g TDD: 52 Good condition.
