Table Lamp With Brass And Concrete Base

650 EUR

Signature : Anonyme

Period : 20th century

Condition : Très bon état

Length : 49

Height : 68

Depth : 22

Description

A massive lamp with a radical design, the base is a concrete-type compound (very heavy) lined on the sides with a polished brass plate. The lampholder is very neatly mounted, and the lampshade has been recently redone.
