

## Oil On Panel Late 18th Century

1 650 EUR

Signature : Dietrich

Period : 18th century

Condition : Bon état

Material : Oil painting on wood

### Description

Oil on panel depicting an animated landscape with figures and buildings, possibly a view of Italy. Bearing the DIETRICH inscription on the back of the panel. Early 19th century "canal" frame in molded, stuccoed and gilded wood, in very good condition. This painting can be dated to the late 18th or very early 19th century. Many painters by the name of DIETRICH correspond to this period from both the French and German schools, but with no possible attribution to any of them more precisely. Dim à vue 23.5 cm x 31.5 cm  
Dim avec cadre 44 cm x 53 cm
