

Brutalist Diffusing Column Lamp, Italy, 1950s

850 EUR

Period : 20th century

Condition : Bon état

Diameter : 14

Height : 93

Description

This rare floor-mounted luminaire, production unknown to this day, doubles the lighting proposal with a brutalist decor of acid-drawn motifs on the copper structure. Italian production probably from the early 50s, given the electrical installation and foot switch. The set has been checked and is in perfect working order.
