Fratelli Manelli Italy Travertine Table Lamp 70'

780 EUR

Signature : Fratelli Manelli Italia circa 1970

Period : 20th century

Condition : Parfait état

Diameter : 46

Height : 71

Description

Italian edition by Fratelli Manelli, also known for its sculptures and animal subjects. Italian travertine has more grain than French travertine. The brutalism of the base is softened by the grooved decoration and the careful brass banding. The lampshade is original and in good condition.
