Description

Beautiful cobalt-blue crystal vase, designed by Thomas Bastide for Baccarat. Well-known to connoisseurs, this series by the famous designer Thomas Bastide was a great success. The vase is very pure, with an ovoid shape and 4 sides. It rests on 3 wave-shaped feet and is enhanced by a removable stopper with a hole in the neck, allowing the vase to become a soliflore. A very intense blue. Fine condition, not even micro-scratches, 21 cm high, double-signed ("Baccarat" on the vase and stamped on the stopper). Very beautiful modern vase, sober and uncluttered, illustrates double signature.
