### Description

Set of 12 silver-plated coffee spoons by the famous Christofle house, Atlas model. The typically Art Deco design was elaborated by Luc Lannel between 1933 and 1935 for the liner "Le Normandie", more precisely for the first-class dining room. The spoons are housed in an antioxidant fabric case. French work from the mid-twentieth century. All our pieces are restored by our workshop to as close to new condition as possible. Specializing in silverware from the house of Christofle, we also sell many pieces of cutlery by the piece according to our stock. Do not hesitate to contact us, to let us know what you are looking for.
