Description

Exceptional wrought-iron terrace railing dating from the first quarter of the 19th century, in the Louis XVI style, in perfect condition. The riveted, endless motif is embellished with antique gilded bronze caps (a few pieces are missing, but we have been able to balance their arrangement). The height to the body is 88.5 cm, plus 17 cm for sealing. The cross-section of the frames is 24 mm² and that of the motifs 20 mm². You can visit our website: www.claudeaugustin.com
