

Antique-cut Diamond Ring

1 990 EUR

Period : 20th century

Condition : Très bon état

Diameter : t.56

Description

Elegant and full of character, this white gold and platinum ring features a superb old-cut diamond weighing around 0.45 carats, with authentic charm and delicately nuanced sparkle. The center stone is sublimated by a surround of rose-cut diamonds, arranged in tiers, bringing relief and refinement to the whole. This compositional work underlines the ring's vintage style, while giving it a timeless allure. T.56
