Description

Ingnazio Gardella and his partner Luigi Caccia Dominioni have stamped their clear, efficient and highly elegant style on the creation of Azucena in Milan. Two architects who have also designed exceptional furniture and lighting. The LP5 model was designed in 1955; the pair on offer is a 70s edition. The double function of this sconce is to diffuse soft light through the grooved glass and project a slightly directional beam towards wall and ceiling.
