

18th Century Walnut Directoire Table

400 EUR

Period : 18th century

Condition : Bon état

Material : Walnut

Description

Walnut Directoire Entre-Deux table - Late 18th century. Charming walnut entre-deux table, opening with a drawer in the front waistband. It rests on four square-section tapered legs, characteristic of the Directoire style, lending the ensemble a sober, balanced elegance. The rectangular top has a beautiful patina of use, testifying to its age. The drawer is mounted on the top of the table. The drawer is dovetail-mounted and offers functional storage space. Solid walnut construction, fine antique workmanship. Epoque : Late 18th - early 19th century Wood : Walnut Dimensions: Height : 71 cm Width : 78 cm Depth : 56 cm
