540 EUR

Signature : Non signee

Period : 19th century

Condition : Bon état

Material : Bronze

Width : 10 x 10 cm

Height : 30 cm

Description

This handsome desk object has all the hallmarks of a fine 19th-century curiosity. Executed in an attractive, finely chased bronze, it represents a tall column with three nymphs at the top, supporting a bulbous roof and perched on a slender, elegant column itself supported by four lesser layers with beautiful apple-patina chasing. The base is a slab of veined pink marble. Probably in homage to a personality
