

## A Beautiful Walser Cradle Made Of Painted Wood And Richly Carved, Early 19th Century

650 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Length : 79 cm

Width : 42 cm

Height : 53 cm

### Description

A beautiful cradle from the Walser people (a German ethnic group that settled in the Monte Rosa area; in this case, from Valsesia), richly carved and painted in the traditional colors of Valsesia. Excellent condition (there is a small restoration on one leg to make it more stable, visible in the last two photos).
