

## Bronze Plaque - Portrait In Profile à l'Antique, 19th Century

150 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

### Description

Oval-shaped bronze plate or medallion with brown/brown patina featuring a portrait of a man in profile, helmeted in the Antique style. The bust wearing a drape tied at the shoulder, the helmet embellished with a small gilded brass inlay. Signed on the back by E.B. and numbered ?531. Probably French work, 19th century. Very fine cast iron covered with a charming original brown patina. Possibly produced as part of the Grand Tour. Unidentified subject. Height: 9 cm. Width: 6 cm.
