rosettes and spring flowers linked by a network of stemscurvilinear, creating a stylized Garden of Eden. The color palette, dominated by creamand ivory tones, is magnified by contrasts of ruby red and Persian blue, typical of theproduction of this region.Quality and ConservationWith its generous dimensions of 320 x 205 cm, this piece offers a majestic presence. Theweaving work is exceptionally dense, allowing a level of detail that onlythe most expert hands in Iran could accomplish at the time. Its main border,richly decorated with "Herati" motifs and palmettes, frames the whole with a rigorousclassic.Persian Maestria & Timeless EleganceAn ideal collector's piece to sublimate a classic interior or add a touch.
