1 250 EUR

Signature : Gino Sarfatti pour l'éditeur Arteluce

Period : 20th century

Condition : Très bon état

Diameter : 30

Depth : 187

### Description

The model 1055 floor lamp, designed by Gino Sarfatti for his Arteluce publishing house, marks the turning point in Italian lighting production towards modernity. Great simplicity, great elegance, timeless and versatile because it can be adjusted in all directions. The photo gallery offers the option of spot or flood bulbs (as on the sintesis model by A. Castiglioni).
