

Ceramic Lamp Base - Jacques Blin

Description

Ceramic lamp base - Jacques Blin
Rare piece from the 50s signed Jacques Blin
Let yourself be seduced by this magnificent ceramic bottle lamp base, an authentic work by Jacques Blin (1920-1995), a French master ceramist of the 1950s. Timelessly elegant, this piece features a hand-engraved decoration depicting a stylized animal (lion or mythical creature) with graphic, poetic lines. Its white-gray enamel coat with crackled, lightly patinated nuances tells the story of an object that has gracefully stood the test of time. Details:- Height: 31 cm to neck- Signature: Jacques Blin (authenticated)- Period : 1950s- Condition : Excellent vintage condition with a beautiful patina of use, vintage cable and socket preserved
This lamp base perfectly combines functionality and poetry. It will find its place with
