

## Paolo Deganello Fauteuil 6503 "aeo" Pour Cassina

1 750 EUR

Signature : Paolo Deganello pour Cassina

Period : 20th century

Condition : Très bon état

Length : 80

Width : 80

Height : 106

Depth : 80

### Description

Paolo Deganello, architect, designer and founder of the Archizoom Associati studio with Andrea Branzi, created this fully dismountable, transportable, washable (cotton cover) armchair in 1973. The seat, composed of a cushion placed on a fabric suspended from the flexible structure, gives a reassuring feeling of comfort. All in good condition.
