Description

Wooden sculpture - woman in prayer - signed Gen - 20th century - H. 78 cm Beautiful solid wood sculpture representing a stylized female figure, hands clasped in an attitude of prayer. The treatment is refined and elongated, with a search for verticality and softness in the lines, evoking a modernist inspiration close to twentieth-century sacred art. The face, with its simplified, meditative features, is framed by long, finely sculpted hair. The work highlights the natural grain of the wood, contributing fully to the aesthetics of the piece. Signed "Gen" on the base.

Dimensions : Height : 78 cm Condition : Good overall condition. A few small traces, cracks and natural marks in the wood, but no major accidents. Very fine decorative presence, ideal for a contemporary, Brutalist or spiritually
