Description

Ohannès ALHAZIAN (1881-1958) Oil on canvas
- Animated snowy landscape Signed lower right
Charming oil on canvas depicting a lively winter landscape, typical of Ohannes Alhazian's work. The scene depicts a snowy village with warmly colored houses, enlivened by a group of characters moving through the snow, amidst a landscape of slender birch trees. The composition is particularly successful. The composition is particularly successful: the vertical trunks structure the space, while the colorful touches of the dwellings contrast with the whiteness of the snowy mantle. The subtle palette, blending cool blues and warm tones, creates a soft, lively atmosphere. High-quality, well-preserved painting, offering a beautiful decorative effect and a charming Nordic
