Description

Gold-engraved crystal "bamboo" cylindrical vase Signed Escalier de Cristal Paris, circa 1890
Elegant clear crystal cylindrical vase, finely engraved and enhanced with a gilded decoration featuring a Japanese vegetal motif, depicting flowering branches and stylized foliage. A vertical ribbed reserve, reminiscent of bamboo, structures the composition and brings rhythm and modernity to the whole. This model perfectly illustrates the infatuation with Japonism in Paris at the end of the 19th century, a period during which the Escalier de Cristal house established itself as a major player in decorative luxury, notably thanks to its creations inspired by the Far East. The fine craftsmanship and quality of the crystal perfectly illustrate the savoir-faire of the Escalier de Cristal house, renowned for its luxury
