### Description

Pair of Art Deco antique curtains - Exceptional quality velvet I'm offering a magnificent pair of antique curtains dating from the Art Deco era. They're crafted in a beautiful quality velvet of remarkable thickness, giving them an elegant, timeless look. The decor, typical of the 1920s, is sublimated by a subtle blend of blue and orangey yellow, bringing a refined, retro touch to the room. From a beautiful property in the South of France, these curtains are sold as is. A

dry-cleaning is recommended to restore them to their full splendor. To note, a small snag on the lining as well as at the top level of the lining, but this in no way detracts from their charm. The dimensions of each panel are 260 cm x 125 cm. It's rare to find curtains of such a size dating

from this period. ref 070225
