Description

Elegant Medici-shaped champagne bucket in copper with a beautiful antique patina, richly embellished with chased bronze elements. The body is adorned with remarkably fine relief decoration: leafy garlands, knotted ribbons and finely worked medallions, in the refined taste of the Louis XVI style. The quality of the chasing, the balance of the proportions and the attention to detail testify to a masterly craftsmanship, characteristic of the fine French production of the late 19th century. Lateral handles with movable rings reinforce its authentic character while adding a touch of functional elegance. Beautiful, homogeneous antique patina, emphasizing the nobility of the materials. Dimensions: Height: 29 cm Diameter: 22 cm
