Description

Large gilded metal wall sun mirror, Italy, vintage 1960s-1970s. Cut-out and embossed sheet metal structure forming a radiant stylized leaf design, gilded metal probably leaf, with original central mirror. Total diameter 65 cm, 28.5cm mirror alone, depth approx. 12-13 cm. Good overall condition. The mirror shows some slight alterations in the sheen as well as a small chip at the edge, concealed by the framing, so not very visible. The back is made of a cork panel held in place by slightly loose but sturdy metal lugs, with a hanging ring at the rear. Note the patina of the metal, decorations and oxidation consistent with age and aesthetic aged rendering. Approx. 1kg.
