Description

This beautiful 17th-century pastoral oil painting, the work of an unknown but skilled master, is a wonderful representation of the Baroque period. The narrative of the plot unfolds in the farmyard of a country estate: women milking and tending to the livestock, a peasant helping them in this, resting animals exhausted by the midday sun. Thanks to the virtuosic work with lighting, colour palette, and a professionally constructed composition, the artist made the summer heat in this genre scene practically palpable to us. This painting, full of the contemplative harmony of rural life, will become a wonderful addition to the collection of any admirer of the Old Masters of the Golden Age. DETAILS: Artist: Unsigned, unidentified professional artist. Medium: Oil on canvas. Image dimensions (approx.): 47 x 62.6 cm
