

French Painted Chest Of Drawers, Mid-18th Century

3 800 EUR

Period : 18th century

Condition : Bon état

Material : Painted wood

Width : 137

Height : 97.5

Depth : 64

Description

Solid walnut French chest of drawers with three drawers and a profiled apron resting on elegantly curved legs. The front is structured by fine moldings and adorned with elaborate bronze fittings. Repainted in a light shade, it shows slight traces of wear and tear, emphasizing its authentic character. The interior is lined with fabric.
