

Kitchen Cabinet, 19th Century

4 200 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Width : 182.5

Height : 221

Depth : 48

Description

A two-part kitchen cabinet with a glazed upper section and a closed lower section. The profiled cornice and small-paned glass doors, adorned with curved mullions, give this cabinet an elegant lightness. The lower section features paneled doors and a central drawer. Repainted in a light shade, with visible patina.
