Description

Rare suite of twelve Louis XV style chairs, in richly carved wood, lacquered in an elegant cream tone and finely rechambered with gilding, highlighting a moving decoration of shells and foliage. The violin-shaped backrests are upholstered in regular-mesh caning, bringing visual lightness and refinement to the ensemble. The generously upholstered seats are covered in a sumptuous damask silk fabric with floral decor in shades of gold, perfectly in tune with the polychrome of the wood. The curved legs, characteristic of the Louis XV style, ensure fluid elegance and beautiful stability. The ensemble testifies to quality workmanship of the 19th century. This homogeneous and decorative suite will be perfect for a reception dining room or a sought-after classical interior. Very good overall
