Description

Pair of Louis XV Armchairs in Carved and Gilded Wood - 18th Century
Elegant pair of Louis XV armchairs, crafted from finely carved and gilded wood. The seats feature the typical curved and enveloping lines of the Louis XV style, characterized by contoured backrests, sinuous armrests, and elegantly arched legs. The frame is embellished with delicate ornamental carvings featuring floral motifs and rocaille scrolls, still clearly visible beneath the original gilding. The upholstery needs to be redone, as shown in the images, offering the opportunity to customize the fabric according to your taste or furnishing project while maintaining the authenticity of the antique structure.ref. 727/453
