### Description

This elegant and classic French travel clock was manufactured in the first decade of the 20th century. It is housed in a cornice-style gilded brass case, characterized by a sleek top plate and contoured base. All four sides feature glass panes that offer a magnificent view of the internal mechanism. The clock features an impeccable white enamel dial, adorned with clearly legible black Roman numerals for the hours and a subtle outer ring for the minutes. The finely finished shovel-shaped hands are made of blued steel.
