

## "faberge" Clock With Rotating Circle Signed Lavigne

1 200 EUR

Period : 20th century

Condition : Très bon état

Material : Enamel

### Description

Revolving circle clock signed and numbered by the famous watchmaker Lavigne (since 1848 in Paris) "Fabergé" model featuring a covered Medici vase adorned with bronze and brass gilded with 24-carat gold. The clock features an enameled horizontal dial with double-circle turning movement, a striking neoclassical decoration in gilded bronze and red-veined faux-marble patina, embellished on the front with a gilded bronze motif of three golden arrows symbolizing Eros. It rests on a Carrara marble base adorned with finely chased rosettes and terminating in a gilded bronze counter base forming a plinth with spherical runners. Original quartz movement in good working order. Dimensions: 34 cm high X 14.5 cm wide. Hour Lavigne has been making prestige clocks since

1848. It was at this time that Charles Hour took over a workshop manufacturing very similar clock movements. Parallel to this activity, he began reproducing stylish clocks. Joining forces with Maurice Lavigne, he created the Hour Lavigne brand, which remains one of the jewels in the crown of French watchmaking. Hour Lavigne is an exceptional brand appreciated for its craftsmanship and passion for art.
