Description

A refined example of mid-twentieth-century Italian design, this wall console combines clean architectural lines with the warmth of beautifully crafted wood and the understated elegance of brass accents. Its compact form is carefully arranged: a rectangular top, a vertically grooved drawer front and two sculptural side supports adorned with brass washers give the piece a touch of understated luxury. Designed to appear to float on the wall, the console offers both functionality and visual lightness, making it ideal as a bedside table, hall cabinet or minimalist storage element in a modern interior. The craftsmanship is undeniably Italian: precise assembly, harmonious proportions and a subtle balance between ornamentation and simplicity. With just a few minor signs of ageing, the piece retains its
