Oriental-style Sword In Silver-plated Copper - 19th Century

350 EUR

Period : 19th century

Condition : Etat d'usage

Material : Copper

Description

Saber in the oriental taste all in silver-plated copper - 19th centuryStunning saber, probably for parade. May be a theatrical saber, however the quality of the copper engraving and overall workmanship seems to me far too applied for a theatrical prop. Silvered copper handle and scabbard engraved with floral decoration. Curved, single-edged silver-plated copper blade. With wear and age the silver has faded considerably. Weight 1470grWeight without scabbard 712grLength 66cmLength without scabbard 64cmBlade length 51cm
