Description

Woven wire wedding basket, featuring heart-shaped decorations at the base on either side of the handle. A piece of folk art made from woven wire, dating to the late 19th or early 20th century--circa 1900. This craft originated in the Vosges region, specifically around Plombières-les-Bains; it was also produced in the area of Xertigny. Such items were created in small, family-run workshops, crafted by the fireside during the winter months once the field work had concluded. The craftsmanship is remarkably delicate. In good condition, with signs of use. Height: 31 cm; diameter: 34 cm.- This item is for immediate purchase, payable by Paypal, we also accept bank transfer or French cheque.- We refuse sales by telephone, the sale will only be made by Email or request via the
