Description

Lead-Painted Stained Glass Window Depicting the Madonna and Child, 1940s
Important
Lead-Painted Stained Glass Window Depicting the Madonna and Child, 1940s
Provenance: Italy
Technique: Cut polychrome glass, assembled with lead and painted in grisaille with enamels.
Condition: Excellent overall condition, intact glass, secure lead binding. Possible slight signs of aging consistent with the period.
This impressive rectangular stained-glass window is a splendid example of glass art, combining technical mastery with an elegant figurative composition framed by architectural elements.
The Central Scene: The heart of the composition is an oval medallion set within an elaborate cartouche featuring emerald-green plant scrolls, finished with smoky gray details and
