Description

Superb gilded bronze coffee table, sublimated by an elegant veined white marble top, with a particularly decorative design. This piece stands out for the quality of its workmanship and its strong decorative power. The curved legs are adorned with finely carved female figures, bringing a rare sculptural dimension and true character to the ensemble. The richly worked belt is highlighted by a delicate frieze that accentuates the model's elegance. The balance of proportions, the finesse of lines and the richness of detail make this an ideal piece for a sophisticated interior. The marble top, in natural shades, reinforces the precious, timeless look of this table. Perfectly suited to a high-end decorating project, this table stands out as a central element in a living room, harmoniously blending
