

Suzanne

580 EUR

Period : 18th century

Condition : Très bon état

Material : Glass

Width : 37 cm

Height : 47 cm

Description

Beautiful glass-fixture depicting Susanna and the old men, according to the book of Daniel, obsequious while bathing, refuses the proposals of two old men. In revenge, they accuse her of adultery and have her condemned to death, but the prophet Daniel, still in his teens, intervenes and proves her innocence and has the old men condemned. This 18th century fixture is perfectly framed in a modern style.
